THEOLOGY OF THE *Body*

DISCOVERING THE MASTER PLAN FOR YOUR LIFE.

Most people have heard the “whats” of Catholic teaching, but very few have ever heard the “whys.”

Viewing his widely acclaimed DVD multi-part series on a movie screen in the Sandusky St. Mary’s Parish Commons, we will listen to popular Catholic speaker and theologian **Christopher West** present the great gift that Pope John Paul II gave to the world called the *Theology of the Body*. This profound teaching offers a fresh and contemporary vision for life, offering a “new lens” through which to authentically see ourselves, our Catholic Faith, our relationships and the world around us.

The *Theology of the Body* is renewing marriages, awakening vocations, healing deep personal wounds, and setting people free to live the life of greatness they were created for. This is no passing theological fad, but a rich, refined understanding of our Catholic Faith. Ultimately, it is a re-discovery of the very meaning and purpose of life.
