Annual Catholic Appeal - Uniting in Faith to Do God's Work

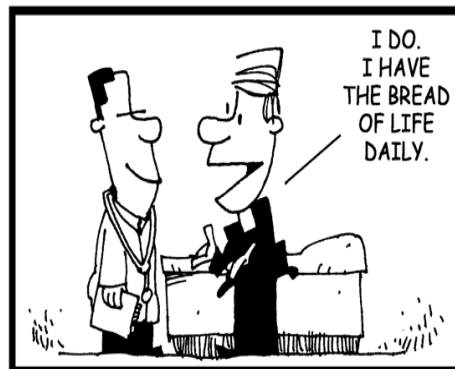

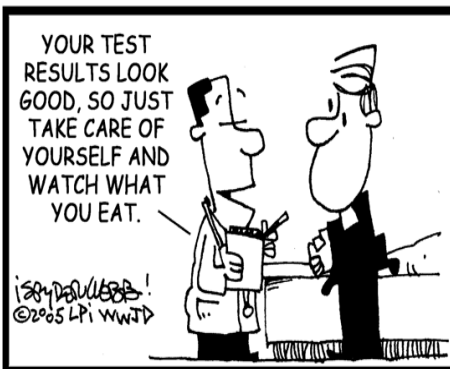

By increasing participation and financial support, the diocese will be able to address many unmet needs.

St. Mary's 2011 participation to date is 161 of a total 2367 families which equates to 6.8% of our parish. By comparison participation by Holy Angels is 11% and Sts. Peter & Paul is 10.2% .

Thank you very much for your response in doubling our participation in this very worthy cause. The amount you can give is not as important as your willingness to share with those in need. A little from many makes for a lot.

BODY AND BLOOD OF CHRIST

Dear Parishioners & Friends of St. Mary's,

Good stewardship calls each of us to continually count our blessings and consider all the ways that we might share a portion of what we have received with others; always as our way to give thanks and praise to our God. For many of us, stewardship becomes a way of life. When we are young, we begin by throwing that first dollar of our own in the collection basket and volunteering some of our time. We progress and grow by giving more as we mature in wisdom and understanding.

And finally, we must consider our legacy; we begin to ask ourselves "to whom will I leave what to after I am gone?" This is stewardship too, and I might suggest we consider all those who made a positive impact in our lives. In addition to family, please consider our parish family and our Catholic school family as beneficiaries of your final wishes.

To make a bequest to benefit the parish, please designate ST. MARY'S CHURCH, SANDUSKY, OHIO.

The highpoint of our annual summer vacation is celebrating Mass together as a family.

Special Summertime Opportunities

Vacations are needed to enjoy time that truly is *personal*. They are needed to help us rethink and reorder our life. We need them to help us make better choices, more meaningful choices that move us closer to being who we've been created by God to be. The fact remains that we can be much too ensnared by earthly interests. All are threatened by enslavement to a mentality that does not respect our dignity as free people.

Vacations are useful time for making changes. In fact, they may be the only time we have available to make necessary and substantial changes in our daily living. But let's be sure that during vacation days this summer we find the courage to make choices according to Gospel criteria. If vacation time only is taken up with pursuits of entertainments and idle pastimes which do not allow for rethinking and reordering, if we pass purposeless hours and days following the latest fads, we risk becoming idol-worshippers and ever less available for the great things God so deeply desires us to experience.

Sandusky is a popular summertime vacation destination. How wonderful it is for so many vacationers to join us for the Holy Mass every weekend! They join us to rethink and reorder. Let us help them by means of wonderful hospitality. *Welcome* those who may be seated in a pew where you normally sit. *Assist* those whom you do not know and seem to be looking for something or someone. *Thank* vacationers for praying together with us, encouraging them to complete a Connect Card so we might learn more about their time with us.

Friends, this summer let us take charge of ourselves by doing at home and on vacation those things which truly will refresh us in body and in spirit.

Steubenville Mid-America!

Sandusky Life Teen will be joining over 190 other teenagers from the Toledo Diocese in July for the Mid-America youth conference, Sponsored by Franciscan University of Steubenville. This four and a half day pilgrimage to Springfield, MO will be an incredible opportunity for the teenagers of Sandusky to grow in their

Catholic Faith and become leaders within our Churches and our schools. The total cost for each teenager is \$325.00, which includes registration, travel, all meals, t-shirts and other expenses throughout the weekend. We as a ministry firmly believe that no teenager should be turned away from making this pilgrimage solely based off of a financial situation. At this time we have five teenagers who could use a partial or full scholarships for this incredible, life-changing weekend. If you could find it in your heart to consider giving a small gift of \$20.00 or more to Sandusky Life Teen that we could put towards covering the cost for these five teenagers it would be greatly appreciated. For more information about our trip to the Mid-America Youth Conference or to learn how to give please call Brittany Taylor at 419-625-7465 ext. 26.

CENTRAL
CATHOLIC
SCHOOL

History and Tradition

St. Mary Central Catholic High School was founded by the Rev. Joseph S. Widmann in 1902 and was located at the present high school building. Twenty-five students were enrolled at St. Mary's that first year. A two-year program was offered with commercial courses for vocational skills in order for students to later assume positions in the business community.

Beginning in the fall of 1920, freshmen and sophomore classwork in the classic and scientific areas was introduced. In 1923-24, the year of the first four-year graduating class, St. Mary's High School received a charter from the Ohio Dept. of Education. It is the second oldest school in the Diocese of Toledo. Prior to 1902, no Catholic post-elementary education was available in the Sandusky area.

SMCC offers over 80 individual courses within its 12 academic departments. Courses include Advanced Placement and Honors in Science, Math, Social Studies and English. Students can now earn college credits for some courses offered by SMCC.
