My Advent Reflection

(O Come, O Come Emmanuel playing)

Waiting...
Waiting is not an attractive word
In fact, waiting seems so boring.

But, what if waiting could change my life?

How have I been waiting?
Shopping,
Baking,
Wrapping,
Decorating?

Do I rush to get everything done?
Will I spend any time slowing down?

No?

Each year I have the opportunity
To change my heart.

This is what Advent is all about
Slowing down
And waiting.

To get my heart ready.

To bring Jesus more fully
Into my life than ever before.

Advent.

Take time.
Slow down.
Open up.
